TEAM PLACEMENTS

Our program's success depends on proper team placement. This makes proper placement the most significant decision we make all season. Our goal is to correctly evaluate each athlete and place them on a team that will best foster their growth as an athlete and as a person while simultaneously putting our teams in the best position for success during the upcoming competition season!

Tumbling

No experience is necessary to become a part of one of our competitive cheer teams. We offer teams for athletes from ages 4 to 18 and everyone makes a team.

All-Star cheer offers multiple levels which correspond to the type of tumbling skills, stunt and pyramid difficulty that a team can perform.

With very few exceptions, placement is determined by a combination of the age of the athlete and the skills depicted in the illustrated rubric.

As you will see on the rubric, each level has a specific set of skills as well as an optional set of skills. Please understand that heavier emphasis will be placed on the required skills and the athlete's ability to perform those skills at a proficient level. We prefer skills to be demonstrated with a higher level of technique than a higher level of difficulty.

LEVEL	STANDING TUMBLING	RUNNING TUMBLING	JUMPS

JUST BECAUSE AN ATHLETE CAN TRHOW ALL OF THE OPTIONAL SKILLS DOES NOT MEAN THAT THEY HAVE PUT THEMSELVES IN THE BEST POSTION TO MAKE A HIGHER-LEVEL TEAM. ATHLETES WILL PUT THEMSELVES IN THE BEST POSTION TO MAKE THE DESIRED LEVEL BY EXECUTING THE REQUIRED SKILLS AT A HIGH CALIBER.

TEAM PLACEMENTS

Team Placement is **NOT** based on tumbling alone.

AGE

As previously mentioned, an athlete's date of birth must be considered during placement. Keep in mind – age is not the determining factor it is year of birth! To be competitive, teams must include athletes at the higher end of the rubric.

Stunting

Stunt abilities must also be considered. Flexibility, body control, body positions, strength and techniques will be taken into consideration.

TEAM PLACEMENT is based upon a combination of the requirements listed. Our goal is to develop teams that are competitive. Placement is a coaching decision.

TEAM REVEAL

Thursday, June 1

7:00 p.m.

We hope that your athlete will come join the fun and excitement of the reveal of our 2023-2024 teams!

Team placements are a starting point for the season. As coaches get to know the athletes and their strengths and weaknesses, they reserve the right to move athletes during the summer months.

Those trying out for an All-Star Elite Team should have the highest level of commitment throughout the duration of the May-to-May season.

Commitment includes Attendance at all practices and competitions, and meeting the financial responsibilities that are a typical part of All-Star Cheer. Our teams compete at state, regional and national level events. At Knoxville Twisters, we try to keep our travel to locations in and around Tennessee. However, we have regularly included travel to North Carolina, Kentucky, Georgia, and Florida in our competition schedule. If your team earns the privilege of competing at the Summit, (Youth in Tampa and Jr/Sr in Orlando) or any other National Finals, it will be the responsibility of the family to meet the cost associated with those events.

ELITE
Teams

PREP & NOVICE
Teams

Those trying out for a Prep/Novice Team should have the highest level of commitment throughout the duration of the shorter August – March season. Commitment includes Attendance at all practices and competitions, and meeting the financial responsibilities that are a typical part of All-Star Cheer. Our teams typically compete at local competitions, keeping travel to an absolute minimum. Because the number of practices and hours are lower, the commitment to attendance is heightened and athletes must understand that they are making a commitment to complete the whole season.

PRACTICES & SUMMER VACATIONS

Productive practices are necessary for a successful season.

The summer is the foundation of our season and practices are mandatory, however we do encourage families to enjoy vacation time and other summer activities. If you are in town, we expect you to be at practice. If you are away on vacation, enjoy your time away. We have created a weekend friendly schedule, so that families can enjoy their weekends as well.

There will be NO practice on the following days:

May 29 - Memorial Day

July 3-July 7 – Summer Holiday

September 1-4 – Labor Day

October 9-13 - Fall Break

November 22-25 – Thanksgiving Holiday

December 25-January 1 – Winter Holiday

March 11-15 – Spring Break

March 29-31 – Easter Holiday

Dates are subject to change and additional dates may be added as management deems appropriate.

PRACTICE ATTENDANCE

We are what we repeatedly do, we perform what we practice!

If we want to have GREAT competition routines, we have to have GREAT practices and GREAT practices are based on having the maximum number of athletes at the maximum amount of practices. There are few excused practices: contagious illness with medical note, school graded events and family emergencies. Our practices are scheduled so that athletes may participate in both school and All-Star Cheerleading. However, other sports or work that conflict with practices are not excused. Given the nature of the sport, if a conflict with an outside sport arises the athlete must be willing to put their team first.

Beginning in August, an unexcused missed practices will result in a \$100 fee. Athletes who miss a practice during the two weeks prior to a confirmed competition will be replaced for that weekend's event and will be charged a \$250 re-choreography fee. The exception to this is illness. This applies to any extra scheduled practice or choreography session as well. Season competition schedules and practice schedules are posted in plenty of time for families to plan accordingly. All-Star Cheer is a TEAM sport, and the TEAM is needed if the TEAM is to be SUCCESSFUL.

Summer vacations request must be turned in with enrollment paperwork. Other planned absences should be reported two weeks in advance and ALL unplanned absences such as sickness should be communicated via email to: knoxvilletwisters@outlook.com.

PRACTICES CONTINUED

CLOSED PRACTICE

To allow for a more focused practice environment with less outside distractions choreography and team practices may be CLOSED. If practices must be closed, we will allow parents to attend one session per month! This date will be noted on the practice calendar.

EXTRA PRACTICES

We try our best to keep extra practices to a minimum, however, to put teams in the best position for success EXTRA practices will occur. We try to place all these events on your monthly calendar, but please note, emergent practices may be added.

CHOREOGRAPHY AND STUNT CAMP DATES

Attendance at camps is critical. We try to plan around summer vacations – if you have a conflict contact us immediately. Your specific team day and time will be posted after team placement/reveal.

COMMUNICATION METHODS

Knoxville Twisters All-Stars utilizes several forms of COMMUNICATION.

- FaceBook – A general All-Star Page will be used for gym-wide announcements. Specific team pages will be used for team specific information. FB is where you will find practice and competition schedules, links for competition tickets and shared photos! FB pages are for parents or guardians and family only. We do not accept athletes to this page because we often discuss events such as team parties and other surprise events.
- Instagram – Knoxville Twisters owner, Rebekah Chait will utilize Instagram to post photos and videos that promote our gym and our athletes.
- Email – Please use knoxvilletwisters@outlook.com to send any necessary messages such as sickness, family emergency or billing questions. Our billing software will communicate thru knoxvilletwisters-notification@ses.iclasspor.com. Any response to those emails will automatically be received at knoxvilletwisters@outlook.com.
- Team Group Chats/Remind/GroupME – The team parent will utilize one or more of these formats to communicate with members!

DROPPING ENROLLEMENT

Knoxville Twisters will impose a \$500 Early Termination Fee to any athlete who chooses to leave the program or must be removed for failure to follow rules and guidelines of our program once choreography is completed. There will be NO REFUNDS of tuition or collected fees. Drop request must be submitted to Rebekah Chait. We require a thirty-day drop notice and immediate payment of the Early Termination Fee or billing will continue. Drops have a HUGE impact on the dynamics of a team in addition to costing additional choreography and extra practice cost. Athletes MUST be committed to completing the season.

COMPETITIONS & TRAVEL

Competition season will begin in 2023 and will run through May 2024

It is our goal to provide a variety of competitions to our schedule. To facilitate this, some travel is required. Our tentative plans for travel are listed below. Due to the nature of scheduling, we cannot project performance times until a week prior to each event. Often teams perform as early as 8:00 a.m. requiring an overnight stay. Many competitions are two-day events that also require an overnight stay. Typically, competitions are within driving distance, however, there have been exceptions (i.e., Dallas, Texas and/or Orlando, Florida).

- **Each cheerleader must have a chaperone at every competition.** It is not your coach, Team Mom or Twister staff's responsibility to be your child's chaperone.
- When we do stay overnight it is your responsibility to book and pay the hotel directly for your room. We will try to stay at the same place and hopefully get a discounted group rate.
- Some competitions require specific housing, you will be informed of these as the season progresses.
- Travel information will be made available to you as soon as we are informed!
- Proper traveling/location practice attire will be discussed with each team prior to a competition.

It is an honor and a privilege to be invited to attend post season competitions. Examples of these are the US Finals, the Youth Summit and the D2 Summit. If we qualify and/or earn a bid to any of these types of events the decision to attend or decline is at the discretion of the coaches and our gym owner, Rebekah Chait. Because we must earn these invitations/bids the cost cannot be predicted and are NOT included in your annual payment plan and as such, will be payable upon declaration of awarded bid.

The athlete's competition fee is included in your payment plan. Spectators will be required to pay an entry fee which has historically ranged from \$10 per day to \$75 per weekend.

When attending or participating in a competition, please remember you are a representative of Knoxville Twisters. Please follow facility rules and regulations regarding attire, signs, staging and performance viewing.

During competitions, your primary contact is your team mom. **DO NOT** attempt to call or text a coach or Rebekah Chait. Your team mom will handle any matters and it is she who will decide if the issue requires the attention of the coach. You **MUST** remember, our coaches' focus must remain on the team currently in warm-ups or on the stage. Each team **DESERVES** this courtesy!

On competition day, our athletes need your support and encouragement. Please remain positive and supportive. This will allow them to perform at their absolute best.
